When Life's Day Closes

When on my day the evening shadows fall,
I will go down to where a quiet river flows.
Into a sea from whence no man returns;
And there embark for lands
Where life immortal grows.

Farewell

Farewell, my dear ones, don’t weep
For I am at peace now, just asleep
Farewell, my children, I am not alone
The mighty maker has led me safely home
Just think back over the many years
How sometimes we seemed so strong
Holding back the tears,
But God somehow made a way
And I thanked him every night for another day
Be strong my loved ones, always love one another,
Be a strong sister, be a kind brother
Be strong, my loved ones, strong in heart
The blood ties no one can ever part
And if somewhere I made a mistake
As you live on many you will make
Farewell, everyone, I’ve been called away
Walk with God, don’t forget to trust Him every day.
